Soul Food-52 Principles of Black Entrepreneurial Success **by Robert L. Wallace**

The desire to own an operate a business is the dream of millions of people. But the reality of successfully maintaining a business is tough and can be a daunting task. Soul Food-52 Principles of Black Entrepreneurial Success is a thorough analysis of all the things it takes to become a thriving entrepreneur. The author guides readers through a 52-week approach to implementing the most essential tools, to making the jump from corporate America to self-employment. (Perseus Publishing, non-fiction, no price listed)
